MEMORANDUM FOR: THE DIRECTOR OF INTELLIGENCE, US AIR FORCE

SUBJECT: APPRECIATION OF THE SERVICES OF MAJOR  
KARL S. GAMBER AS ALTERNATE MEMBER AND  
ACTING MEMBER OF THE AIS COMMITTEE.

1. The mission of the NIS Committee, which has been meeting frequently since 20 February 1948, is to recommend policies governing the implementation of the NIS Program and to formulate production schedules and coordinate production under that Program.

2. Although Major Gamber has been officially designated as alternate Air Force member of the NIS Committee, he has, until his recent relief from duty with the Directorate of Intelligence, US Air Force, frequently represented the Director of Intelligence, US Air Force as acting member thereof. On these numerous occasions, his keen intelligence, his knowledge of the capabilities of his own Agency, and his spirit of cooperation have enabled him to render valuable assistance in the development of the NIS Program, to which the Department of the Air Force is an important contributor.

3. I take this opportunity, therefore, to express the appreciation of the Central Intelligence Agency and, I am sure, of the other Intelligence Agencies for the valuable services Major Camber has rendered.
